PASE/Landit Women's Leadership Program: Career & Leadership Program

Join a cohort of women leaders for career & leadership development and to build your professional network

The Partnership for After School Education (PASE) is pleased to announce that we have again partnered with [Landit](#), an innovative technology platform that creates a personalized playbook for women seeking to move their careers forward. This unique leadership development opportunity for a cohort of 27 women participants in PASE programs is made possible through the generous support of Morgan Stanley.

*“The Landit platform and coaching helped me assess the big picture trajectory of my professional growth”
– Cohort Participant*

Participants receive a one-year Landit membership which will include executive career coaching and in-person content through Landit expert sessions. COVID 19 has brought professional upheavals, but it also presents a unique opportunity to enhance your professional and leadership skills, and to think critically about the course you are hoping to chart for yourself. Landit and PASE can support you on that journey.

*“The Landit platform is an extremely valuable tool that I would otherwise not have had access”
– Cohort Participant*

Key Program Offerings

- Eight virtual sessions with an Executive Coach
- Five virtual, live sessions with guest speakers on topics such as Building Your Personal Brand, Building Your Board of Advisors, Communicating to be Heard, The Art of Negotiating, or Taking Risks
- Tips, advice, and inspiration curated for you through the Landit platform

Eligibility

- Women-identified educators (front line professionals to senior staff)
- Minimum of 5 years of professional experience required
- Working to benefit young people in New York City
- Priority given to Alumnae of PASE's Emerging Leaders, Small Agency Executive Leadership, Strengthening STEM in Afterschool, Strengthening College Persistence, PASEsetter winners and PASE consultants

Generously funded by Morgan Stanley

Landit Overview

Landit is a technology platform that is revolutionizing professional development with a new approach to career acceleration and management. Landit was created to increase the success and engagement of women in the workplace and now is used to target all key areas of talent management across organizations. Landit provides each member with a personalized playbook that empowers them with the tools, resources, know-how, and human connections they need to navigate their career path more successfully. Landit’s customer and partner list includes leading Fortune 1000 companies. Landit has been featured in the Wall Street Journal, Forbes, CNBC, Fortune, Inc., BBC Business, and named one of the Top 10 Innovations That Made Women’s Lives Better by Fast Company.
